

## **ME 115(b): Problem Set #4**

(Due Wednesday, May 20 , 2010)

**Problem #1:** Problem 2(b,d) in Chapt. 5 of MLS text. You need not construct the grasp map. You need only determine if it is force closure (although some methods of proving force closure may require you to determine the grasp map).

**Problem #2:** Problem 3(b) in MLS Chapt. 5.

**Problem #3:** Problem 4(a) in MLS Chapt. 5.

**Problem #4:** Problem 5(a) in MLS Chapt. 5.

**Problem #5:** Problem 8(b) in MLS Chapt. 5.
